Principal's Business

Optimal Learning Environment:

- Assessments

Spaghetti Autism Dinner Fundraiser - April 14th, 4-7pm

- Just need help with clean up

Other Business

- Parking - Will be adding four 15 minute parking spots outside the front doors of the school
- ASCA Conference (virtual) - April 26th-27th
 - It cannot be recorded, the Saturday link will be sent to whoever wants it. All can attend
 - The link for Sunday is only available for council members and will only be sent upon request. Contact Hydee for the link.
- No spring event. Back to school is going to be a bigger event because students will not know who their teacher is before the end of this school year as has been done in the past. Due to move-ins and other such changes the class list will not be made until August and sent through powerschool sometime in the week before school starts.
- AGM June 11th @ 8pm
- Suggestion was made to have the school send out a text message letting parents know when a school council meeting is coming up.

Next meeting May 14th @ 8:30am

Snack volunteer - TBD
